We have arranged a Zoom meeting for affected CWU members working across NBN's field workforce, in order to outline the proposal and discuss the options available moving forward.

TZV SUPPORT EBA – DETAILS RELEASED

TZV proposed a new banded structure. There will be many questions. There are 6 bands. Each Band has 3 Value Ranges. Each Value Range has 3 progression points. So each band has 9 pay points. The salaries for each year increase by 3% across all bands and pay points. After translation, no one will be worse off in terms of salary. And once a pay point is reached, it cannot be reduced (ie it is a ratchet point.) To obtain the proposal, simply email us at office@cwu.asn.au and ask for the TZV papers.
