OPTICAL FIBRE UPGRADE CLAIMS

After co-ordination with our national office we are about to send off a claim with about 30 names and details. Telstra has claimed to have already done an assessment so we expect a relatively quick response. You may see local action as your team leaders and managers will no doubt be asked to provide information. Please make notes of any conversations and actions.

TZV SUPPORT EBA

Our discussions have moved to the point where we should develop an EBA that accommodates a later implementation of the new structure. We have considered this and while no proposal has been agreed, our position includes the following: A 2 - 3 year agreement, - a pay rise of at least 3% each year, The first increase to be 1 Dec 2025 (ie back pay to 1 Dec 25), A sign on bonus at least equal to the Ops bonus (\$5,553) but adjusted for CPI. Your thoughts are appreciated. [More](#)

VERSENT REDUNDANCIES

Versent (formerly Telstra Purple) has advised of 4 redundancies across NSW and VIC. Any member should contact us if you have any concerns.

TELSTRA INTERNATIONAL REDUNDANCIES

Telstra has advised that the International Customer Success group commenced consultation with 8 Australia-based employees (and others outside Australia) about a proposed change to our delivery and assurance activities for Telstra International customers. Any member should contact us if you have any concerns.
