### **TAX RECEIPTS**

Its tax time again and the good news is that CWU membership fees are tax deductible. We do not issue annual financial year statements unless required by you. If you wish to know your contributions for the last financial year, then email [office@cwu.asn.au](mailto:office@cwu.asn.au) and we will respond with a receipt.

### **TZV EBA ISSUES**

Negotiations with TZV have been frustrating. Proposals seem to change as we question details. At the moment we do not have any firm proposal. And we have the faceless men and women in Government interfering, rendering negotiations non genuine.

On top off this we have a new Minister. . [More](#)

### **TELSTRA – JOB DESCRIPTIONS REPLY – OPTICAL FIBRE**

Telstra has responded as set out below. The response is not acceptable. It is true that the Magistrate's Decision only applied to the claimant. But he was representative of many Optical Fibre employees. Telstra then upgraded about 35 more members. But no criteria have been explained. We see no reason why others in our claim are not also upgraded. We will meet shortly to determine our response.

### **TELSTRA RESPONSE – OPTICAL FIBRE**

*In relation to your request for information on the assessment used for those employees who were offered an upgrade based on the proposed updated CFW5 Communications Technician CJD, Telstra has already provided this to you in our correspondence dated 5 September 2025. . [More](#)*

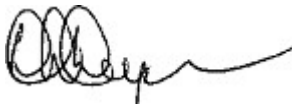

### **TELSTRA – MORE REDUNDANCIES AND OFFSHORING**

*We have commenced consultation on proposed changes across Telstra as we work towards achieving our Connected Future 30 Strategy. The proposed changes impact Telstra Consumer, Telstra Business, People, Culture & Capability. [More](#)*
