VALE GARRY NEWBERY

One of our stalwart Postal Technical delegates, Garry Newbery passed away last Sunday. Gary had been in hospital for some time and spoke to many of us just days before his passing. He worked at Sydney Parcel Facility and represented members there for many years before his retirement. We do not have any funeral details at this stage.

NSW MEMBERS - IS YOUR BOSS WATCHING YOU AT WORK?

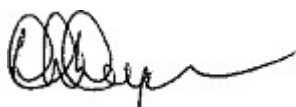

Your employer might be tracking your location, your speed, monitoring your computer, measuring your productivity or even using AI to make decisions about your work. Working from home shouldn't mean bringing workplace surveillance into your home. [Workplace Surveillance and AI at Work Survey](#) Click here and complete our survey about workplace surveillance.
